## SELECTING A COLLEGE

The selection of a college by a student is a major decision. Colleges are different; policies and rules vary. The prospective student should study the college catalogue and student handbook before completing his application.

A student desiring the life of a large state university may not be happy at a small, church-sponsored junior college. A student may get specific information concerning Anderson College's policies by writing to the office of the Registrar.

## ADVANTAGES OF AN ACCREDITED JUNIOR COLLEGE

1. The junior college offers two years of regular college work paralleling that of a standard four-year college or university, enabling the student to transfer to the junior year without loss of time or credit.
2. The junior college provides terminal, or occupation oriented, courses, designed to prepare the student for a vocation in two years.
3. Some fifty per cent of the students in four-year colleges drop out after the freshman and sophomore years. The junior college gives the student opportunity to complete two years of study and receive a diploma.
4. Personal interest in each student from the administrative officers and instructors provides individual guidance, enabling the junior college to bridge the abrupt transition from high school to a larger institution.

## COLLEGE PURPOSE

CHRISTIAN EDUCATION. In this age of rival philosophies and competing religions, Christian education is necessary. The charter of Anderson College secured in 1911 stated that the institution would be a Christian school. Christian education comes to pass as well trained Christian teachers instruct Christian students in an atmosphere of reverence for Christian truths. A well rounded life possesses not only a well trained mind but a disciplined and adjusted personality.

THOROUGH TRAINING. Academic standards maintained by the best colleges are the goals for Anderson College. These goals are reached as capable teachers are well trained and dedicated to the high calling of teaching. Cheap academic work is not acceptable at Anderson College. Southern Association approval is highly valued.

A SMALL COLLEGE. Anderson College for 54 years has been known as a small Christian college. Anderson College is following the trend of increasing enrollment, but the small Christian college idea is still basic in planning for the future of Anderson College.

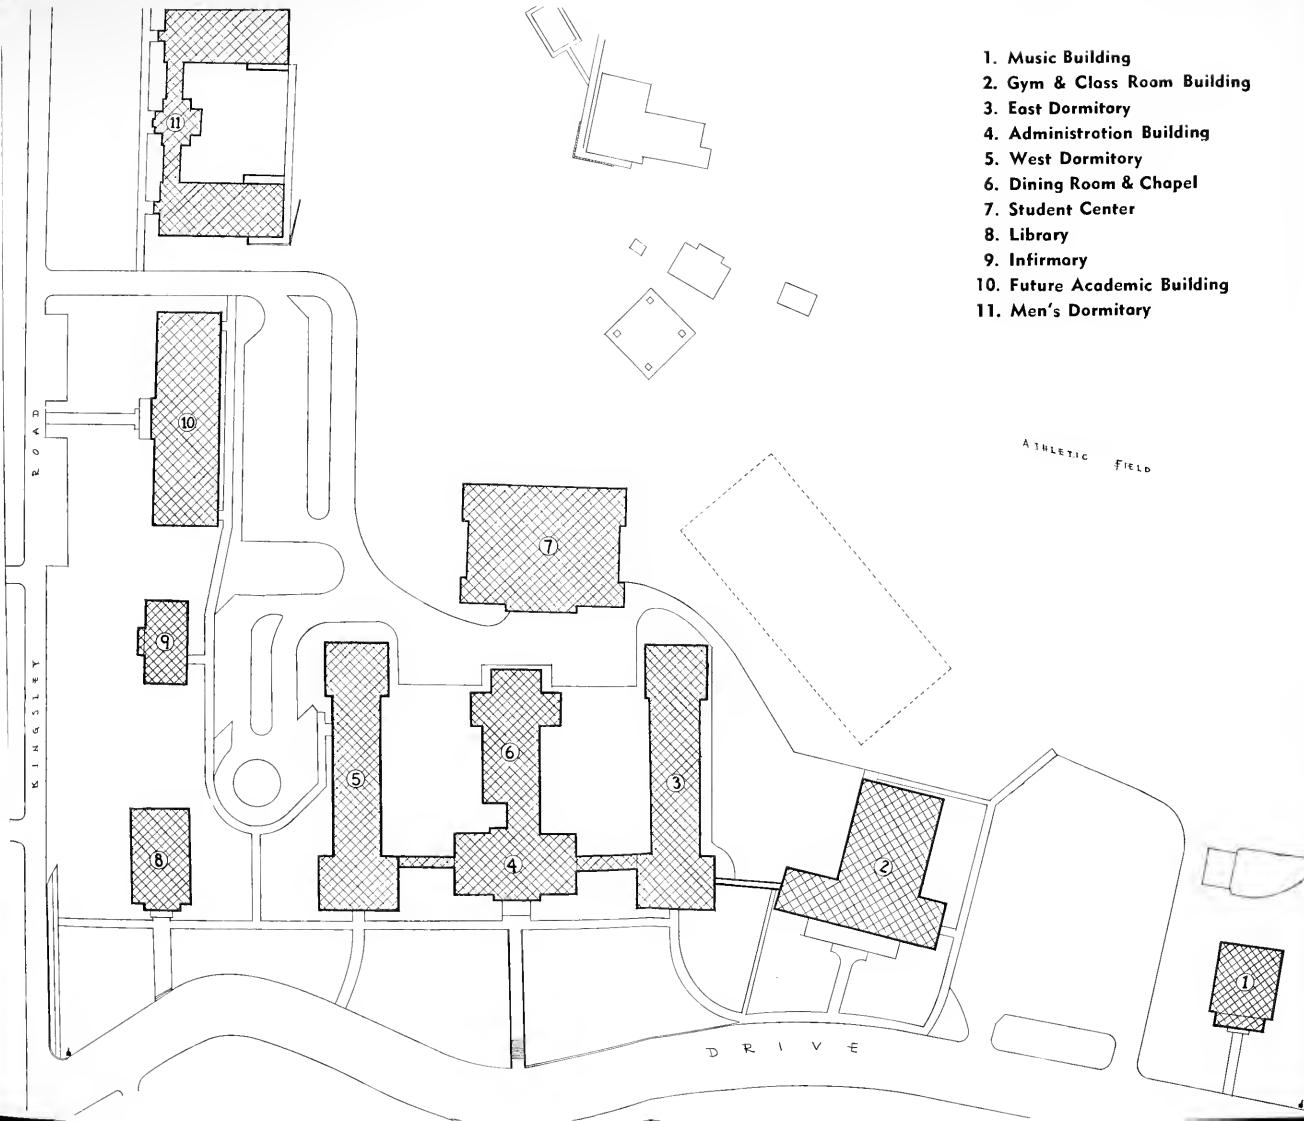

PERSONAL ATTENTION. As a small college Anderson College is able to give personal attention to the students. Every teacher serves as a counselor.

STUDENT PARTICIPATION. Students learn by doing. Anderson College offers opportunities for individual participation in groups such as music, the choir, dramatics, college publications, Circle K, honor societies, Baptist Student Union, other religious organizations, and class groups.

MODERATE COST. Charges at Anderson College are reasonable. Details concerning expenses are given on page 15.

COMMUNITY COLLEGE. Approximately 50 per cent of the students at Anderson College attend as day students. The citizens of Anderson find educational opportunities offered at Anderson College most helpful. Night classes are held as a community service.

Information concerning this test may be obtained from a high school principal or by writing to: College Entrance Examination Board, Box 592, Princeton, New Jersey.

The admissions committee has set no minimum score for the SAT, but the committee expects a score which indicates ability to do satisfactory college work. Applicants should take these examinations in December or January of their senior year in high school and not later than March of that year.

A student's entire personality is considered by the admissions committee at Anderson College. His high school grades are important, his high school transcript is revealing. The

SAT score is considered. Overall attitude and abilities are studied and evaluated before a student is accepted.

A student who expects to enter a specific college or university after completing two years of work at Anderson College should learn the entrance requirements for that specific institution. The Registrar will check the entrance requirements upon request.

In accordance with the uniform customs of reputable colleges, all students are admitted for the entire semester or part of the semester unexpired at the time of entrance. No reduction or refund will be given for the current semester when a student withdraws, unless, in the opinion of the College Nurse, the state of the student's health renders such a course necessary.

**Students who withdraw or who are dismissed for any cause are liable for the expense to the end of the current semester.**

No refund is made in the case of non-resident students taking special courses only.

*Student Bank*

The College does not advance money to students. A student bank is operated for the convenience of teachers and students. Each resident student should deposit his spending money and draw it out as needed. Students are advised not to keep money in their rooms. It is recommended that a deposit of \$50.00 be made in the student bank for books, stationery, and other supplies.

Parents should send money to students only by check or money order.

The College maintains a book store supplied with textbooks, stationery of all kinds, paper, ink, and miscellaneous supplies. Textbooks are supplied only through the book store. Purchases must be made in cash. Except in the case of sisters or brothers rooming together, each student is required to buy his own books.

*Reductions and Concessions*

When two boarding students come from the same home (brothers or sisters), a reduction of 10 per cent is allowed on all charges for tuition but not on fees and board, provided that both remain in college for the entire semester, that all charges are paid when due, and that neither student holds scholarship.

Two day-students from the same home enrolled in the College are allowed a discount of five per cent on tuition. Two day-students from the same home taking studio courses are allowed a discount of five per cent.

Baptist pastors actively engaged in the ministry of the gospel, whose sons or daughters are students, are granted a discount of \$75.00 for the year if the student is a boarding student, and \$50.00 if a day student, provided no other concession is made. A minister's wife will receive the same concession as a child. One-half of the amount is credited each semester. Renewal of this concession is conditioned upon the student's having passed the work of the previous session with an average of not less than C. Any minister wishing to secure the benefit of this concession should make formal application in writing to the President.

*Courtesies*

There is no student admission charge for lectures and recitals given under college auspices. There is no fee for make-up examinations and quizzes when the student had a legitimate excuse for the absence on the original date and the instructor was notified in advance by the student or the parent of the student. There is no special music fee for training in the College Choir. Regular students may elect classes in speech, dramatic art, and art without any extra charge. Two hour classes in health, physical education, art, and public speaking may be elected without extra charge. There is no charge for one original transcript to another college.

**PLACEMENT SERVICE**

Placement services are available through the College. Large numbers of secretarial students find work after their years at Anderson College. Other graduates are placed in art, industry, church work, journalism, music, nursing, radio, and social service.

By bequest of the late Virginia L. Cochran, the Ernest F. and Virginia L. Cochran Memorial Scholarship was established, the interest to be used as a scholarship for some deserving person or persons of Anderson County.

The Joseph Newton Brown Trust Fund was established by the late Joseph Newton Brown, the interest to be awarded to needy Anderson County students preparing for careers in Christian service.

Henry Harper Scholarship, given by Mrs. Henry Harper in honor of her late husband, is used to assist worthy students.

### MUSIC SCHOLARSHIPS

Scholarships of \$150 each in Piano, Voice and Organ are offered on a competitive basis to students of talent and achievement. These awards are open to high school graduates who plan to major in music. Winners will study with the heads of each department. Auditions for these scholarships will be held by appointment during the last week of the school term each year. Scholarships may be renewed on the basis of work done.

#### GENERAL EXCELLENCE AWARDS

A limited number of General Excellence awards for entering resident students are offered each year to outstanding high school graduates on the basis of scholarship, character, and leadership. These scholarships, valued at \$100 each, are for one year only, and written applications must be made before August 1.

#### LOAN FUNDS

The W. L. Anderson Loan Fund was established by the late W. L. Anderson to be used by deserving Anderson County boys and girls who would be unable to attend college without financial assistance.

The South Carolina Federation of Women's Clubs provides a loan fund for South Carolina girls who wish to attend college and need financial assistance. Applications should be made as early as possible since they are considered in the order in which they are received. Application blanks and information about this fund may be obtained from Mrs. George E. Davis, Orangeburg, South Carolina.

To assist a young woman with tuition expenses, the Hazel Meeks Loan Fund was established in 1962 by Mr. and Mrs. J. Watt Kirkpatrick, Charlotte, N. C. The loan is to be repaid to Anderson College without interest in four years after the student leaves the College. Preference will be given to an Anderson County student or a Baptist student. Two responsible endorsers will sign the note with the student.

#### STUDENT SELF-HELP OR WORK GRANTS

A limited number of students are employed in the dining room, offices, library, and various other departments of the College. Compensation depends upon the amount and type of work done. Self-help students must take a minimum of nine hours of work each semester in order to receive help the next semester. In order to receive the work grant the next year, the student must maintain a C average and make application not later than June 1.

Grants are awarded for the year but credit will be given one-half the first semester and one-half the second. These credits will be deducted from the November 15 and March 15 payments.

Grants may be withdrawn from any student proving unsatisfactory in his relations with the College.

Applications for work grants should be mailed to Mr. W. E. Tisdale, Administrative Assistant.

#### NATIONAL DEFENSE STUDENT LOAN PROGRAM

Any full-time college student who is in good standing and who is "in need of the amount of the loan to pursue a course of study" is eligible for a National Defense Student Loan from the federal government. The law provides that "special consideration shall be given to (a) students with a superior academic background who express a desire to teach in elementary and secondary schools, and (b) students whose academic background indicates a superior capacity or preparation in sciences, mathematics, engineering, or a modern foreign language."

Under the terms of this program a student may borrow money with no obligation to repay either principal or interest until after he has completed his college work. He also is not required to pay interest or principal while in military service. Repayment is to be made in installments over a 10-year period beginning one year after the student completes or drops his studies in higher education. When the loan is being repaid, interest at three per cent is charged. The law provides for cancellation of 10 per cent of a borrower's note every year for five years if he serves as a full-time teacher in a public school.

#### UNITED STUDENT AID FUND

USA Funds is a private, non-profit service corporation which endorses low-cost, long-term loans made by local banks to needy college students. Freshmen are ineligible to participate in this loan.

USA Funds serves as an intermediary between the student's public-spirited hometown bank (which makes the loan at cost or below) and the student's college (which underwrites the loan by depositing funds in the USA Funds reserve). Anyone interested may get further information from his local bank or Anderson College.

#### COLLEGE SCHOLARSHIP SERVICE

Parents of applicants seeking financial aid are required to submit Parents' Confidential Statement through the College Scholarship Service. Forms for preparing the Confidential Statement for this application may be secured from the college. A fee of \$3.00 will be charged by the Scholarship Service. Address all inquiries to Mr. W. E. Tisdale, Anderson College.

## BUILDINGS

The newer buildings are of fire proof construction. In the older buildings automatic sprinkler systems are installed.

### *Administration Building*

Four tall white columns mark the entrance to the Administration Building. This three-story building accommodates the offices of the President and Registrar, the business office, parlors, home economics and science laboratories, and classrooms.

### *Denmark Hall*

Denmark Hall, a two-story building, houses the parlor, TV room, and suites for staff and students. A kitchenette and an activities room are located on ground floor.

West Colonnade joins this dormitory with the Administration Building. A large stone fireplace makes this colonnade a center of student activity.

### *East Dormitory*

East Dormitory contains, in addition to faculty and student suites, classrooms of the Department of Secretarial Science, the Baptist Student Union area and activities room. East Colonnade joins this two story dormitory with the Administration Building. A kitchenette and an activities room are located on ground floor.

### *Men's Dormitory*

Two units of the dormitory for men provide housing for 104 male students. Built in 1962, the dormitory is equipped with a parlor, recreational and laundry equipment in each unit. The two units are connected by quarters for the Dean of Men. In the dormitory, two rooms with two students per room are connected with a bath.

*Auditorium*

The auditorium seats approximately 700 people. Two times each week Chapel is held in the auditorium. Concerts, recitals, plays, lectures, and operas are presented here.

*Dining Room*

The dining room seats 300 people. Meals are served cafeteria style.

*The Library*

The college library houses a carefully selected book collection of over ten thousand volumes, a periodical collection of over 140 magazines and newspapers, and a small but carefully selected file of pamphlets and public documents. The majority of the magazines are bound in book form for easier handling and research. The book collection is classified according to the Dewey Decimal system, is cataloged, and is readily available on open shelves. Trained librarians employed full time are assisted by student helpers.

The library occupies a new building on west campus with completely modern facilities and attractive, comfortable surroundings for research and recreational reading. The building is air conditioned and affords ample space for the expansion of the present collection.

A three-story building constructed in 1960, this structure houses modern classrooms, faculty offices, day students' lounges, a gymnasium and locker rooms for men and women, and recreational facilities.

*Music Building*

A 10-room house, formerly occupied by the College President, houses the teaching studios and faculty offices, student practice rooms, listening and choir rehearsal rooms. Future plans include a small recital hall, adjoining the present building.

A music library is housed in the music building. This growing record collection is available to all students and fac-

ulty members for recreational and educational enrichment. Turntables with earphones are available for playing these records. Records are not to be taken from the music library.

#### *Art Building*

The Art Studio is similar in architecture to other traditional campus buildings. In the interior an old brick fireplace dominates one wall, with artists' lockers bordering two walls and the front wall almost entirely of windows with a wide window ledge on which rests the plaster casts that have been a part of the Art Department for 50 years. A gypsum statue of Venus De Milo adorns a corner and one wall is decorated with the seven color diamonds in huge proportions. Students work at slant top tables in high chairs placed under sky lights. Long fluorescent tubes follow the beams.

#### *Canteen-Book Store-Post Office*

Completed in 1964, the student center is located on the back campus. Student services include the college book store and gift shop, a refreshment center and television room, the student post office, and recreational facilities. A fireplace and bay windows draw attention from outside and inside the building.

#### *Infirmary*

A registered nurse lives on campus in the College infirmary, always subject to call when needed by resident students. Doctors and surgeons are available in the city of Anderson. The Anderson Memorial Hospital is located within a few blocks of the College.

In case of serious illness of a student, parents or guardians will be notified at once. Should special nursing or hospital care become necessary, the expense must be borne by the parents or guardians. The College furnishes medicine for routine infirmary treatment for resident students. Special prescriptions and extra physician charges are added to the student's college account.

## COLLEGE LIFE

### *Dormitory Rooms*

Dormitory rooms are arranged in suites—two rooms with connecting bath. Four students live in each suite in all of the dormitories. This arrangement is favorable to the development of desirable living and study conditions. Rooms are assigned to new students in the order in which the applications for admissions are received and completed.

### *Furnishings*

Rooms are furnished with two single beds, equipped with box springs and innerspring mattresses, a study table, a dresser, two straight chairs, and a closet. Women's rooms also contain rockers.

Students provide the following: bed linen, blankets, bed spreads, towels, curtains (2½ yards long in the women's dormitories), and all necessary personal articles. The men's dormitory is equipped with venetian blinds, and curtains are not allowed.

Students are responsible for the care of their rooms. Rooms are inspected periodically.

Damage to furniture, fixtures, or walls is paid for by the students.

### *Laundry*

Arrangements are made whereby students may have their laundry done at a nominal price. Each article should be plainly marked with the student's name.

Students have three possible services for laundry:

1. Automatic washers and dryers in the student laundry room.
2. Commercial laundries in the city.
3. Linen service available at \$10.00 per semester for two sheets, two large bath towels and one pillow slip each week.

Pressing rooms are provided for student use. Students do not use irons in their rooms. Automatic washing machines and dryers are also available.

*Vacations*

Dormitories are closed during Thanksgiving, Christmas, and spring vacations.

*Wardrobe*

Serviceable clothes are in keeping with the atmosphere of Anderson College. For the women, cotton prints, sweaters, and skirts are popular for general campus wear. Two or three street dresses, suits, party dresses, and two evening dresses meet the social needs. Men will need at least one dress suit and adequate sportswear. Emphasis in dress is put upon taste and suitability rather than quantity.

*Allowance*

Parents are asked to supply the students with only a moderate amount of spending money. Extravagant allowances are unnecessary.

Students making bills in the city do so on their own responsibility.

**WOMEN STUDENTS ARE NOT ALLOWED TO SMOKE. MEN STUDENTS ARE ALLOWED TO SMOKE IN DESIGNATED PLACES.**

**STUDENT GOVERNMENT**

The administration desires in every possible way to stimulate and encourage self-government—to awaken in each student that individual conscience which is the final dictation in all matters, personal and impersonal. Recognizing that no parent would be willing to send a daughter or a son to college where the administration had no disciplinary powers, the Student Government acts with the advice and oversight of the Faculty and Staff. The Student Government is composed of a Men's Council and a Women's Council.

## WITHDRAWALS

The President of the College is authorized by the Board of Trustees to request the withdrawal of any student whose presence in the College, for reasons of health, conduct, or scholarship, does not meet with the approval of the administration, or whose influence, whether by word or deed, is injurious to other students or to the welfare of the institution. Specific charges are not necessarily made.

### AUTOMATIC WITHDRAWALS

If because of persistent neglect, a student fails to make satisfactory progress, his parents are notified. At the end of the first semester, if he fails to complete nine semester hours with a "C" average, he is not allowed to return for the next semester. At the close of the session, if he has not passed as many as 18 semester hours, he is not permitted to return the following year. Students who are not academically eligible to return may make up the deficiency during the summer.

### OFFICIAL WITHDRAWALS

If a student withdraws from the college, he must complete the withdrawal form and return it to the Dean's Office.

Students withdrawing within the first five weeks of a semester will receive adjustment on charges for tuition, fees, and room rent as follows:

During first week \_\_\_\_ 90%      During fourth week ... 40%

During second week .. 80%      During fifth week ... 20%

During third week ... 60%      After fifth week...no refund

The first day of registration will be considered the first day of school in computing adjustments. Students withdrawing for any reason will receive adjustment on meals based on 50 per cent of the remaining unused portion of the charge for meals.

## RELIGIOUS LIFE

Anderson College is basically and aggressively Christian. It is the aim and purpose of the administration to engage teachers who will, by example and teaching, encourage and stimulate their students in the practice of Christian principles and ideals. The spiritual atmosphere of the College is marked by a certain definite resolution to keep moral and spiritual values in pre-eminence.

Southwide and state leaders and local pastors have made Christian Emphasis Week one of the most important occasions of the college year.

## STUDENT ACTIVITIES

The College welcomes its alumni at any time during the year and extends a special invitation for class reunions at Commencement.

## GENERAL ACADEMIC INFORMATION

### *Personal Guidance*

Adequate personal adjustment for every student is the aim of Anderson College.

An orientation program for freshmen is conducted the first week of the fall semester. Students become acquainted with the ideals and aims of the College, its customs and traditions, the physical plant, and the social life of the campus and city. Psychological and subject matter tests are given to all freshmen.

Specific academic counseling is provided for every student. Each instructor is available as a counselor to students in his department. Each student will be assigned to a faculty adviser.

Case study records are kept for each student. This material consists of general personal information, scores

achieved in placement tests and personality inventories, records of extra-curricular activities and reports relative to academic, vocational, and social counseling.

### *Grades*

At the end of each semester the grades of each student are sent to the Registrar's office by the instructor, recorded on the permanent records of the College, and a report is sent to the parent or guardian of each student. Parents are earnestly requested to examine these report cards and co-

operate in every possible way with the College in order to strengthen points of weakness and deficiency. Parents can render valuable assistance by a hearty, sympathetic co-operation.

A, B, C, and D are passing grades; F means failure.

The semester grade represents all the work of the student in the course concerned, including daily recitations, special tests, and the final examination.

A grade report will also be mailed to the parents at mid-semester.

#### *Requirements for Honors*

Any student who maintains an average of 2.50 quality points for each semester hour of credit for the entire course of study will be granted his diploma **Cum Laude**; any student who maintains an average of 2.75 quality points for each semester hour of credit for the entire course of study will be granted his diploma **Magna Cum Laude**; and any student who maintains an average of 2.95 quality points for each semester hours of credit for the entire course of study will be granted his diploma **Summa Cum Laude**.

The following table shows the number of quality points per semester hour credit for each grade:

Grade	Points Per Credit
A	3
B	2
C	1
D	0
F	0

An average grade of C is necessary for graduation. Deficiency in quality points may, in some instances, be removed by repeating courses on which low grades have been made.

#### **EXAMINATIONS**

All classes are examined at the close of each semester. The examinations do not exceed two hours in duration. In

addition to these regular examinations, class tests are conducted at such times as the instructor in charge may see proper.

No student may be exempt from examinations by any teacher, and no teacher may hold an examination out of the scheduled time.

#### CLASS ATTENDANCE

Regular and prompt class attendance is expected of all students. The following class attendance regulations are enforced:

1. No student may receive credit in a course in which he has been absent for more than one-fourth of the time for which the course was scheduled. No student will be admitted to a class after the first week of classes. Students entering late must make up the work which their classes have already done.
2. Parents are asked not to withdraw or detain students from any academic duty, except for reasons approved by the College. Application for special exceptions growing out of emergencies in the family of the student must be made by the parents.

The following excuses for absences are permissible under the regulations of the faculty.

- a. Personal illness, certified by the college infirmary, parents, or physician;
  - b. Marriage or death in the family;
  - c. Critical emergency in the family;
  - d. Leave of absence to represent the college officially;

#### CLASSROOM REGULATIONS

Students are required to attend all sessions of courses for which they are registered. If a student is absent four times from any class without explanation, he will be dropped from the class roll. An absence is judged as explained, when illness is verified by parent's or doctor's statements, or when death in family or a similar emergency arise.

Three tardies constitute an absence. An absence before or after a holiday will count as a double absence.

#### CHAPEL ATTENDANCE

Meeting twice each week, chapel attendance is required for all students. Absences are excused on the same basis as class absences (for sickness, death in the family, away on College business, and valid emergencies). When a student accumulates TWO UNEXCUSED CHAPEL ABSENCES within a semester, he is subject to a warning from the Chapel Committee. Tardies are counted as absences. A student who accumulates more than two unexcused Chapel absences within a semester is subject to suspension from the college for the remainder of the semester, and must appear before the Chapel Committee.

#### *Tests and Examinations*

1. Permission to make up tests must be received from the dean in consultation with the instructor.
2. Permission to make up final examinations which have been missed will be given only in case of serious emergency and must be approved by the Academic Dean. A fee of \$2.00 for each subject will be paid for each make-up test or examination requiring extra work by the teacher.

#### GRADING SYSTEM

A	-----	100-95
B	-----	94-89
C	-----	88-80
D	-----	79-70
Failure	-----	below 70

Persons withdrawing from classes will be given:

W—withdrawing before mid-semester examinations

WP—withdrawing while passing after mid-semester examination

WF—withdrawing while failing after mid-semester examinations

#### REGISTRATION AND CLASSIFICATION

Each student upon arrival at the College should report to the business office where an initial payment is made and a matriculation card, signed by the Treasurer, is secured. Instructions for classification are given by the Dean when the student reports to the auditorium for convocation. The student next reports to an assigned faculty member for consultation and arrangement of the courses of study. This advisor will counsel and guide the student while at Anderson College. When the complete program of the course of study has been approved, the student is given cards of admission which must be presented to the instructors of the various courses indicated. No student will be admitted to a course who does not present a card of admission. All matriculation cards are left in the office of the Dean.

The College reserves the right to withdraw any course the enrollment of which does not justify its continuance.

#### TEACHERS' CERTIFICATES

Students planning to teach should study carefully the requirements for certification in the state in which they expect to teach. The Dean will advise students concerning courses for transfer credit for teacher certification. Students planning to teach in South Carolina should complete during their freshman and sophomore years the general education courses prescribed by the State Department of Education.

#### REMEDIAL COURSES

##### *Remedial Algebra*

The college offers work for students who have poor backgrounds in high school algebra, or for those making low

scores on the math placement test. No college credit is given. This course meets three times per week. The tuition charge for this course will be the same as if it were a credit course. (See Math 10.)

*Remedial English*

Candidates for the junior college diploma must complete their last year's work in Anderson College.

Sixteen hours of recitation work a week are expected of all regular students. The minimum is 12. Credits will not be given for more than 19 hours of academic work a semester, exclusive of physical education. Only by special permission of the administration may 19 hours be taken.

In addition to the required courses for the Associate of Arts Diploma, from six to twelve semester hours may be elected in any one or in a combination of the following departments: Art, Dramatic Art, Home Economics, Music, Secretarial Science, and Speech. The number of hours allowed will be determined by the plans for further study.

#### V. TWO-YEAR SECRETARIAL

The department of Secretarial Science prepares students for positions such as private business, or organization secretaries, stenographers, reception clerks, bookkeepers, personnel assistants, and office managers. They may take courses of varying lengths, depending upon the amount of time they can spend in study. Those who can spend two years in college may complete the two-year diploma curriculum and earn junior college diplomas. Students entering with high school training in secretarial subjects may be placed in advance classes according to ability.

The Anderson College Placement Service, available to all graduates, has the record over a period of years of being unable to meet the frequent calls for graduates of the Secretarial Department. Many employers, preferring college trained secretaries, make yearly application to the Placement Service for replacements in their offices.

## ANDERSON COLLEGE NIGHT DIVISION

### ENROLLMENT

Anderson College night school began in the fall of 1958, with a small enrollment and five courses offered. By the second year it had more than doubled in enrollment with twelve courses offered. At present the school meets four evenings a week. Many in the Anderson area are attending night school to continue their college training while working, begin their college work, take courses for personal enjoyment, or get advanced standing in their fields of work.

Many area business firms and industries are paying tuition for their employees to attend night school courses. This benefits both employer and employee and presents a wonderful opportunity for those genuinely interested in an education to begin their training while working during the daytime.

### COURSES

Content of all night school courses will correspond to that outlined in the regular course description section of this catalogue. For a list of courses currently offered in night school, contact the registrar. Each course must have a minimum of ten students. The college reserves the right to withdraw any course in which the enrollment does not justify its continuance. Courses will be added whenever possible according to demand.

At present night school meets Monday, Tuesday, Thursday and Friday evenings, with each three-credit-hour course meeting from 7 to 10 p.m. one night per week. Biology and chemistry meet twice weekly, with 150 minutes for theory and 150 minutes for laboratory.

Thus a student could take four different courses and earn up to twelve credit hours per semester, almost a full daytime schedule.

## INSTRUCTORS

Instructors in Anderson College night school meet all the requirements of the Southern Association of Colleges. They hold master's degrees in their fields.

## CREDITS

Anderson College is fully accredited. Credits earned at Anderson College night school will transfer to other accredited colleges.

LIVING ENDOWMENT OF ANDERSON COLLEGE — LEAC

Living Endowment of Anderson College (LEAC—pronounced Lee-ak) is designed to strengthen and develop the faculty. LEAC is an incorporated non-profit, eleemosynary, educational association, having members who make annual contributions. An annual membership drive encourages alumni and friends to make contributions.

Through gifts to LEAC, the college is able to meet competition from other schools in securing highly trained, capable instructors by offering them adequate salaries, graduate study opportunities, and other benefits.

The originator of the LEAC idea was Dr. J. R. Young, outstanding Anderson physician. He was the first chairman of the executive committee when LEAC began in 1960. In 1963, Dr. Young was appointed honorary chairman of the executive committee.

Officers for the Living Endowment program include Arthur E. Holman, president; Clarence F. Brown, treasurer; Francis M. Hart, chairman, executive committee. Area vice-presidents include Mitchell Patton, Belton; W. G. Cox, Honea Path; Julian Davis, Townville; A. J. Sitton, Pendleton; and Dr. Walter Trammell, Williamston-Pelzer-Piedmont.

## HISTORY

Established in 1911, Anderson College traces its origin to one of the first institutions of higher learning for women in the United States. The Johnson Female Seminary opened in the village of Anderson in 1848. The names of many of the older families of the community are found in the extant class rolls of the old seminary.

The founder of the Johnson Female Seminary was the Rev. William B. Johnson, a Baptist minister who was president of the national Triennial Baptist Convention and later the first president of the Southern Baptist Convention.

The school Mr. Johnson founded was forced to close during the Civil War and did not reopen. But in time a new generation carried on where the old institution had stopped. The outcome of their efforts was Anderson College, founded in 1911. First classes were conducted in the fall of 1912.

Functioning today as a fully accredited, co-educational junior college, Anderson College began as a senior college for women. The decision to organize as a junior college was made in 1929. In that year, the change was ratified by the South Carolina Baptist Convention which sponsors and supports the College. In September 1930, the school opened as a junior college and accepted its first male students.

In the 1964 fall term, a total of 697 students were enrolled at Anderson College (including 83 in the night division). For the first time in the history of the school, male students outnumber female students at the College, with 367 men and 330 women.
